EXPERIENCE

Alexander Wang

07/2015-10/2016

Handbag Assistant Designer

New York, NY

- Collaborated with international and domestic tanneries, manufacturers, and hardware suppliers from the inception of the design to approval for mass production
- Build an internal metal hardware library system and saved 10% of hardware development cost
- Managed 4 -6 seasonal interns per a year

The Row

01/2015-05/2015

Handbag Design Intern

New York, NY

- Did multi-tasking by drawing detailed sketches and quickly making prototypes in a fast-paced environment
- Created color matching options of bag straps using Adobe Photoshop
